Mr. Harry Logan  
c/o RE/MAX Executives Realty  
3-1919 Henderson Highway  
Winnipeg, MB R2G 1P4

Dear Mr. Logan:

Thank you for an incredible year! Your hard work and generosity hit an astounding level. Through the Miracle Home Program, Miracle Makers Barry Gordon Memorial Golf Tournament and the "Texas Hold em" tournament you raised almost \$178,000. That's a 10% increase over last year! This continues to show why Manitoba RE/MAX agents, brokers and supporters are the most passionate in the country.

RE/MAX has been a national supporter of the Children's Miracle Network and the Children's Hospital Foundation of Manitoba since 1992. Since that time, RE/MAX has raised more than \$1.5 million to purchase equipment in the Neo-Natal Intensive Care Unit, Emergency Room, Pediatric Intensive Care Unit, support programs at the Children's Hospital and research in the Manitoba Institute of Child Health – the only facility of its kind in the prairies.

You should feel very proud because you have accomplished in a few years what some people could never accomplish in a lifetime. That's a testament to your love and dedication to those who need help and that is what makes all of you so special.

The Children's Hospital is the only pediatric facility between Toronto and Calgary. In addition to the 130,000 children who come to the hospital each year, we also see 48,000 children in emergency each year. There are 8,000 surgeries each year and average 22 each day. Your heart, attitude and dedication to help the children of Manitoba are beyond words and I thank you for that! On behalf of the thousands of children we serve annually, thank you for understanding the importance of supporting child health...***because children need us!***

Sincerely yours,

Gary Rozak  
Program Director, Children's Miracle Network  
Development Coordinator
