

Dedicated to Pediatric Research & Child Health Care

February, 2007

Dear Miracle Homeowners,

Thank you for using RE/MAX as your real estate company of choice.

It is thanks to you and the generous support of your RE/MAX sales associate that the Children's Miracle Network is pleased to call RE/MAX one of our most valuable and loyal partners. As one of our most generous supporters RE/MAX Canada has raised close to \$25 million dollars for Children's Miracle Network. Astounding!

RE/MAX of Manitoba has donated more than \$850,000 to the Children's Hospital Foundation of Manitoba since 1992 when they became an international and local sponsor. In the year 2006 alone RE/MAX raised more than \$115,000 and designated these funds towards a high priority renovation of our Children's Asthma Education Centre.

The unique "Miracle Home" sign designates a home being sold in the special "Miracle Home" program. This is only one of many ways that RE/MAX contributes to Children's Miracle Network. A portion of each real estate commission earned on a transaction has been donated by your RE/MAX sales associate to Children's Miracle Network. In every case 100% of the donation will support our local Children's Hospital Foundation of Manitoba.

This means that your choice to use RE/MAX will help the Children's Hospital Foundation of Manitoba reach our annual fundraising goal for 2007 of more than \$6 million. These funds will continue funding pediatric medical research and ensure that specialized medical equipment and programs are available to the 130,000 children we see each and every year.

Together, you and RE/MAX are making miracles for children!

Sincerely yours,

Patti Smith
